And What Have You

By BOB CRAIG

We received a post card in the mail this week in regard to the person or persons who tore down the Piper and while it probably expresses the sentiments of a great many people, it was unsigned. We still will not run letters to the editor that are unsigned.

We have never seen anything upset so many people as the destruction of the Piper. Many of the people were probably not so interested in the Piper until it was destroyed.

It would be our suggestion to the guilty one or ones that they make themselves scarce from this area. We don't have any idea what the courts might do to anyone proven guilty of this crime but we can guess what some of the people of Hamlin might try to do to them.

Any of you that have ever seen our desk will understand why we are reprinting the following column by Orlin Brewer in the Vernon Daily Record. Apparently the matter of cluttered desks must be an occupational hazard with nearly all editors because we have never seen very many that were not piled up to the point that you never can tell the color of the desk top.

"Suppose you have just spent two hours cleaning your desk.

"The morning mail arrives, and a variety of people provide you with additional miscellaneous papers, pictures, newspapers and other documents of assured or doubtful interest.

"Then someone, who isn't too well acquainted with the conditions under which life requires that you must function, walks in, takes one look at the litter and debris that in a matter of minutes has been scattered in all directions.

"Your desk is a disaster area, but the disorderly layers of papers are only half as deep as last week. Real progress has been made.

"The friend, surveying the situation, finds it completely unbelievable, and suggests that you have allowed your work area to become something like Fibber McGee's closet.

"He's smiling good-naturedly. You accept that. The blood doesn't rush to your head. Your ears don't turn red. You've learned to live with ridicule.

"You have tried to take consolation over the years from the repeated claims of the late Associated Press columnist, Hal Boyle, who went to his grave contending that an uncluttered, well-organized desk was the mark

Local Girls Capture District Championship

The Hamlin All-Stars won the District 5 girls softball championship with a 14-3 win over the Ballinger All-Stars Thursday night, July 22, at the Dixie Little League park in Abilene. Leona Johnston pitched a two-hitter and went 4 for 4 at the plate for Hamlin.

The All-Stars defeated Fritch (Borger District) Monday evening by a score of 9-2 in the sectional tournament in Stamford. Leona Johnston was in top shape allowing only one run in the first and fourth innings. Leading the runs batted in was first baseman, Kathy Prewit.

The All-Stars will play Olney, winner of the Wichita Falls District Wednesday at 5:30 p.m. in Stamford. The winner of that game will meet the winner of the Fort Worth-Waco District on Thurs., July 29 at 5:30 p.m. in Stamford.

The Hamlin All-Stars are managed by Mrs. Herbert Johnston and coached by Mrs. Ed Wheat.

Girls on the team include Charlotte Hooper, short stop; Leona Johnston, pitcher; Tammy May, second base; Kathy Prewit, first base; Sharon Ford, third base; Lisa Hawes, catcher; Tonya Brumley, left field; Pam Thornton, center field; Judy Crouch, rover short stop; Debra Pyron, right field;

Nicole Carter, Teresa Gregory, Sonja Ramon and Teresa Baldivia. Alternates are Sharon Slaughter and Connie Spaulding.

Nazarene Church To Break Ground For New Sanctuary

The Church of the Nazarene will hold a groundbreaking service Sunday morning following the morning worship service. Ground will be broken for the new sanctuary and educational building to be built on lots immediately south of the present building.

Donald Young, chairman of the building committee, said the contract will be signed with Delmer Shelburne of

Snyder next week. Rev. Marshall Stewart, pastor, extends a special invitation for everyone to attend this service.

Dr. Lyle Eckley, District Superintendent of the West Texas District of the Nazarene Church, will be present for the occasion.

Plans Being Made for Arts Show At Fair

Mrs. A. C. Hayes and Mrs. James Blanton are members of the art committee making plans for the Arts and Crafts Show to be held during the Jones County Fair in Anson, Sept. 9, 10 and 11. The women attended a planning meeting in Anson last week.

The arts and crafts show will include paintings in oil, water color, acrylic, charcoal, pen and ink, collage and

abstract. Also work in sculpture, figure and animal will be included.

Cash prizes will be awarded to winners in the adult division and winners in the youth division will receive gifts.

All residents are eligible to participate. More information may be obtained by calling 576-2281.

Clothing Class To Be Offered At High School

A clothing construction class for adults and out-of-school youth will be offered by the Homemaking Department, said Edith Carter, Home Economics instructor at Hamlin High School.

Plans include learning some tailoring techniques and making bound buttonholes. The class will meet in the clothing laboratory of Hamlin High School from 1:30 to 4:30 p.m. on Aug. 3, 5, 9 and 10.

A minimum of ten people will be needed in order to offer the class and the class will be limited to 16 people. The class is offered free of charge and all interested people are invited to attend, she said.

Anyone wishing to make egg shell box bags is also invited to attend at the same time that the clothing class meets.

Football Players To Get Shoes

All high school boys planning to come out for football this fall are urged to pick up their shoes at the field house Wednesday, according to Bill Grissom, athletic director.

Several donations have been received and anyone who would like to contribute may do so at Farmers and Merchants National Bank, he added.

Ford said that the Hamlin Rotary and Lions Clubs had voted to install a guard light at the proposed park site. The statue will be rein-

forced and necessary structural damage will be repaired, Ford said.

Mrs. Joe Norton, who with her husband the Rev. Joe Norton, planned the construction and directed the work of building the Piper will work with the finishing of the statue after repairs are made.

Ice Cream Supper Set Here Friday

The Hamlin Lions Club will hold their annual Ice Cream Supper and Cake Sale Friday evening at the high school cafeteria, according to Pat Willoughby, president. The Lions will begin serving the homemade ice cream at 5:30.

Tickets are \$1.00 and are available from any Lions Club member or may be purchased at the door.

OVER ESTIMATE—

Only One Bid Submitted On Apartment Complex

Only one bidder submitted a bid on the 14-unit apartment complex to be constructed by the Hamlin Housing Authority. Rouse and Son, Inc. of Abilene submitted a bid \$195,000.

The bid was about \$17,000 higher than was projected and the Housing Authority is now faced with seeking a

larger loan from the Farmers Home Administration before they can let the contract.

The bid opening was held at the city hall building Tuesday.

Architects for the project are Pierce, Pace and Associates of Midland.

The firm is currently building a similar apartment complex in Rotan and could begin construction here immediately following the awarding of the contract.

Plans call for four one-bedroom apartments and 10 two-bedroom apartments. The four one-bedroom apartments and three two-bedroom apartments would be located behind the post office and the other seven two

-bedroom units would be located just south of Holiday Lodge.

North Construction Co. of Hurst were low bidders on two similar projects in Stamford and Anson were expected to submit bids on this project but failed to do so.

The apartment units will be operated and managed by the Hamlin Housing Authority but will not be low-rent units like the ones currently being operated by the Authority. The units in Stamford, which will be similar to the units here will rent for \$110 a month for one-bedroom and \$140 a month for two bedroom units.

Cattlemen's Roundup Area Chairmen Named

C. A. Morris of Abilene, chairman of the Cattlemen's Round-Up for Crippled Children, has announced area chairmen for the annual fundraising event for the West Texas Rehabilitation Center in Abilene.

Area chairmen serve as contacts throughout the Southwest in rounding up cattle, horses, and other livestock. Each year the donated livestock is sold in special auctions with the proceeds going to the West Texas Rehabilitation Center, a private, non-profit treatment and diagnostic facility serving the handicapped of the Southwest. Ranchers wishing to donate livestock should contact their area chairman or the West Texas Rehabilitation Center so arrangements can be made for pick up.

The cattle sale is set for 1:00 p.m., September 27 at the Ranchers and Farmers Livestock Auction in Abilene. The sale of horses will be at Abilene Livestock Auction beginning at 1:00 p.m. on October 2. A special auction will follow in Coleman on October 6 and a farm equipment sale is set for November 6 in Lawn.

Morris announced area chairmen as follows: Herman A. Propst of Anson; Leonard Branch, Steve Cochran, George Humphrey and A. A. Tate of Aspermont; Bilby Wallace of Clairemont; Bill Feagan and Cecil Sellers of Hamlin; Howard W. Goswick of Jayton; Sam Baize, Grover Carothers, Bill Reed, Eugene Swenson and W. G. Swenson of Stamford; James Springer, Raleigh Springer and Vernon Surratt of Rotan.

Contract Let for Area FM Road

Austin — Highway construction contracts let in June by the State Highway and Public Transportation Commission include work in Fisher and Jones Counties.

The work will be supervised by District Engineer Roger G. Welsch.

A contract was awarded to Ivan Dement, Inc. of Amarillo. Low bid was \$166,604.82.

The project, which will require an estimated 100 working days, is for grading, structures, base and surfacing on Farm to Market Road 688 from FM 57, eastward to FM 126, a distance of 3.1 miles.

Mr. and Mrs. Steve Baker of Ft. Worth visited his parents Mr. and Mrs. Eugene Baker, Cheryl and Neal, and his grandparents, Mr. and Mrs. A. W. Bowen of Sweetwater the first of this week.

35 Teams Entered In Annual City Tennis Tourney

Some 35 teams are entered in the annual City-wide Tennis Tournament to be held here this weekend.

Most of the entries are local persons and some former residents are returning, according to Gary McMillan, chairman of the BCD-sponsored event.

Play will begin at the local tennis courts at 8 a.m. Saturday.

Brackets will be posted Friday at City Hall in the office of the Board of Community Development and at Heidenheimer's, McMillan said.

Singles and doubles competition will be single elimination this year because of limited time and number of courts. McMillan has complete rules available of the scoring system to be used.

FROM THE FILES . .

FIFTY YEARS AGO
(July 30, 1926)

As was stated two or three weeks ago, the Republican party this year was to hold its first primary election in this state. In Hamlin they had only the state ticket and one voting box.

The Republican Primary was held in the F. I. Walker office and L. P. Corzen was the presiding officer. H. A. Stacy and C. B. Rowland were clerks and J. A. Jacobs was judge. Every detail in compliance with the Texas Primary election law was carried out. Their vote was light, just SIX ballots were used. In Stamford they polled just eighteen votes.

Wednesday evening the whole force of the Bryant-Link Company and a number of guests enjoyed a delightful time at Wild Cat Lake on the Hood Ranch northeast of Hamlin. Mr. and Mrs. Curtis and family and Mr. and Mrs. Bill Johnson were chaperones and the rest of the force, Royce Goodwin, John Albin, Oscar Pace and Miss Blackstock, gathered together all kinds of good things to eat and drink (and hiked out and left it) and as their guests, Mrs. Perkins of Cisco, Miss Margaret Adkins, Miss Helen Anderson, Miss Hudson, J. D. Greenway and Mrs. Frank Waggoner with them, went to the lake and when the water sports were over and thoughts turned towards "eats" they discovered that the box was not present but back in Hamlin. That was just too bad. But a hungry bunch of clerks can't be bothered about where they eat, so long after dark, passers-by saw quite a happy group on the lawn at Mr. Curtis' home eating just like they were on the rocks over in Cat Claw gulch by the side Wild Cat Lake. What's the difference?

Nearly half a century of progress and development in Texas and the Southwest will be chronicled through the fortieth annual state fair of Texas to be held at Dallas, Oct. 9 to Oct. 24, 1926.

Forty years ago—in 1886—the State Fair of Texas came into being. Every year since, under the direction of a group of far-sighted patriotic, earnestly loyal Texas business men, it has been demonstrated to hundreds of thousands of visitors, by means of comprehensive physical displays, the adaptability, productiveness and efficiency of Texas and the Southwest.

A delightful party was given Wednesday afternoon at the home of Misses Allie and Pearl Whiteley when they entertained complimenting their niece, Miss Rachel Whiteley of Hillsboro.

Lovely summer blossoms gave the floral touch to the rooms where tables in dainty appointment were arranged for bridge. At the conclusion of several interesting games Miss Nadine Morgan held high score.

TWENTY YEARS AGO
(Aug. 2, 1956)

Texas Highway Commission has lost no time in getting underway with the highway building and repairing program scheduled in the Hamlin territory for the next two years, once the federal assistance money was made available by recent action in Washington.

This week bids were being called for on the 19.81-mile stretch of Highway 83 from Hamlin to Aspermont, which will be widened and otherwise improved; and surveyors are working on the 21 mile stretch of Highway 94 from Hamlin to Tuxedo.

These two projects, along with two farm-to-market highway jobs in the area are part of a major highway improvement program planned by the highway department for the next biennium in cooperation with the federal government. More than \$4,620,000 has been allotted to the Abilene district of the highway department.

Five men from the First Methodist Church were planning to attend the Northwest Texas Methodist Conference for Canyon Methodist Assembly near Happy. Scheduled to make the trip are L. H. McBride, Joe Culbertson, Willard Maberry, E. C. Feagan, Art Newcomb and possibly others.

TEN YEARS AGO
(July 28, 1966)

Seventeen Explorer Scouts and four adults left here Monday morning about 8 a.m. to take part in the Region 10 Canoe Trip at the Charles L. Sommers Wilderness Canoe Base.

The group will be at the base located in the

Arrowhead Country of Minnesota, 22 miles northeast of Ely and three miles by water, from the U.S. boundary.

The base, run by the National Council of Boy Scouts of America is on Moose Lake where the road ends and the wilderness begins.

The group includes Mike Murphree, Randy Smith, Sammy Ferguson, Charlie Shira, Davis Weaver, Leldon Clifton, Gary Smith, Don Colley, Chris Perrin, Steve Smith, Gary Maberry, Gene Stovall.

Also Jim Kemp and Randy Wiseman, both of Haskell and Jack Evans of Albany.

Adult leaders are Floyd Smith and Milburn Wink of Hamlin, Waller Overton and Mike Overton, both of Paint Creek.

Glenda Hudspeth, daughter of Mr. and Mrs. Joe Hudspeth, is with a group of about 30 students and adults on a "round-the-world" tour being headed by Dr. Elwin L. Skiles, president of Hardin-Simmons University.

The delegation of high school and college students and several adults left Abilene June 20 and the tour will end Aug. 3.

Some of the places visited include Jerusalem, Haifa, Tel Aviv, Cairo, Egypt and India.

Dr. Skiles left the tour to return to H-SU on July 24. Mrs. Skiles and daughter, Sarah, joined the party and were to continue through Western Europe as tour guide.

A resolution was passed July 21 by the City Council ordering certain streets in Hamlin to be paved with a portion of the cost being assessed against the owners and their property, respectively.

A legal notice published this week gives notice of intention of the City to make improvements and assess the owner and the property which shall constitute a lien upon the land for the amount of the assessment.

of a man who was insecure in life, afraid to face the world.

"You remember the weekly newspaper editor who reported his typewriter stolen (true story) and found it on his desk a quarter century later buried under old papers.

"But with Mr. Boyle gone, there are no defenders of real stature of messy cluttered desks.

"Real questions—growing out of lost notes, papers, missing documents of historical value and family heirlooms somehow entrusted to your care—are raised relative to your competency.

"Your friend, having passed judgment, departs, leaving you in a slough of self-doubt.

"Again you cry out from within, wondering why at some major university or junior college, some genius doesn't come forward with a really effective course in desk management—the one realm of life which defeats more mere humans than any other.

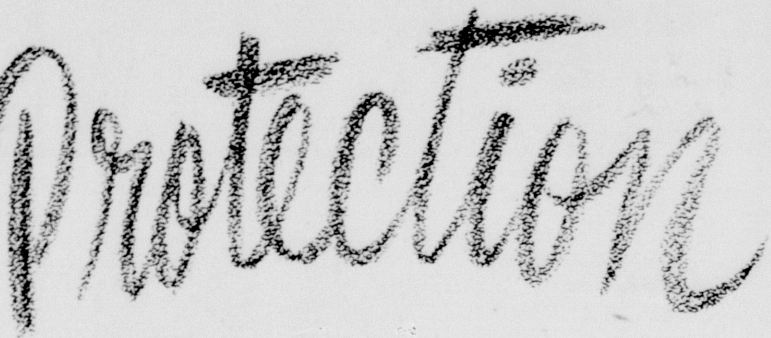

"You know that educators don't teach the course because they can't find a qualified instructor. And you also know that if they did, you'd flunk it.

"But it offers some reassurance to understand that you're not alone in your problem. You're mucked to your eyeballs in incomprehensible paperwork, not because of your own failure, but because of the massive failure of the American educational system.

"To accept full, personal responsibility for such a condition would be more than the soul could bear."

STOP-CAUTION-GO

The signal light is man's guide to safer travel. However, they protect only as they are obeyed.

The Bible is God's Signal Light and guide for man's path through life.

"Thy word is a lamp unto my feet, and a light unto my path."

Through study of God's word, we learn His will for our life, and He will lead in paths of righteousness.

ATTEND CHURCH

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family.

Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

BRING AD WITH YOU

**the
gospel truth**
by Bro. Marshall Townsley

Last week we began a study on the prayer of intercession. Let's review. Isaiah 59:16, 17 brings out God's desire for an intercessor. Finding none, he brought forth his Son, Jesus, and clothed him with the breastplate of righteousness and the helmet of salvation. The entire ministry of Jesus was that of an intercessor—someone who pleads another person's case in the presence of authority. Anyone who knows the epistles will agree that the body of Christ is the fullness or fulfillment of the earthly ministry of Jesus Christ. Ephesians 1:23 We are partakers with Him in the ministry. Ephesians 6:10-19 instructs us to put on the same clothing that Jesus wore as an intercessor. You have a part! Thank God! Luke 11:5-8 is the description of intercessory prayer. Isn't it amazing that Jesus never taught a man to preach? His disciples came to him saying, "Teach us to pray!" They recognized that prayer was the power of success in Jesus earthly ministry. "...Which of you shall have a friend, and shall go unto him at midnight, and say unto him, Friend, lend me three loaves; For a friend of mine in his journey is come to me, and I have nothing to set before him? And he from within shall answer and say, Trouble me not: the door is now shut, and my children are with me in bed; I cannot rise and give thee. I say unto you, Though he will not rise and give him, because he is

To Get Nursing
School Degree**

Debbie Elmore will graduate from Mary Meek School of Nursing at Hendrick Memorial Hospital during commencement Friday at 7:30 p.m. at Pioneer Baptist Church. Miss Elmore, a graduate of Hamlin High School, attended Tarleton State University in Stephenville and Texas Western College in Snyder before entering the school of nursing. A graduate registered nurse, she will take her state board examination in January, 1977. The examination is offered in July and January and students have to have completed their schooling six weeks before taking the examination. She is the daughter of Mr. and Mrs. Don Elmore. She will start work Aug. 9 at Hamlin Memorial Hospital.

Plan Wedding**

Mr. and Mrs. Carl E. Corlee of Norman, Okla., formerly of Hamlin, announce the engagement and approaching marriage of their daughter, Sonja Marie, to Gary Dale Neal, son of Mr. and Mrs. Doc F. Neal. The couple will be married here Saturday, Aug. 21, in the chapel of First Baptist Church. The bride-elect is a graduate of Hamlin High School and is employed by Winn's Store. Neal, a graduate of Hamlin High School, attended Western Texas College in Snyder and is employed by Byrd Power Tong Service.

Mr. and Mrs. Gene Adams and Rickey spent the weekend in Houston with her niece, Mr. and Mrs. Wren Wood.

**Summer Homemaking Students
To Attend Demonstration Classes**

Students enrolled in the summer phase of homemaking will meet from 9 a.m. to 11 a.m. Monday, Aug. 2 through Aug. 13 for a series of demonstrations in the Homemaking Department of the high school, said Edith Carter, home economics instructor. Demonstrations presented will include making accessories given by Mrs. Evelyn Wilburn, of Anson, Jones County Home Demonstration Agent; outdoor cooking demonstrated by Mrs. Kathryn Cawley of Abilene, Home Economist for Lone Star Gas Co.; flower arranging for the home, presented by Mrs. Burt Oliver, owner of the Lady Bug, florist; and styles and colors of clothes for fall, 1976, given by Mrs. John D. Ferguson Jr. Several other demonstrations are still in the planning stage, Mrs. Carter said.

Students enrolled in summer homemaking and expected to attend the demonstrations include Kathy Meyner, Alison Clem, Ginger Perry, Irma Gonzalez, Rose Chavez, Mary Gonzalez, Audrey Hart, Linda White, Doris White, May Ruth Brown, Sue Sellers, Nicky Bond, Tina Wicker, Julie Willingham, Stephanie Hymer, Jena Hawes, Jamie Jones, Elizabeth Hooper, Tonya and Starlet Covington and Debra Holden. These students have been recording their home experiences and have been or will be visited at their home by Mrs. Carter. If the course

is successfully completed, each student will receive a quarter credit for their summer work in homemaking.

**Homemakers
Meet Monday**

The Hamlin chapter of Young Homemakers of Texas will meet in the workroom at the high school Monday evening at 7:30. Purpose of the meeting is a

work session. Plans will also be made for a membership tea to be held by the club at a later time. Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication.

Philosopher Finds Commercialization Of Olympics Started Years Ago

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One examines the Olympics this week, sort of.

Dear editor:

People are always saying the world has become too commercial, that television shows are written to capture the biggest audience strictly in order to sell more tooth paste, that politicians are out to make money, that schools are far more concerned with buildings than teaching, etc.

Why, they say, look at the Olympics. The games have become commercial. A man wins a bunch of gold medals and what happens? He shows up doing commercials on television at \$50,000 a year.

The people of course are mistaken. The world hasn't suddenly become commercial. It's always been that way.

For instance, I was watching the Olympics on tele-

vision and just to be doing I looked up the history of the games in an encyclopedia. In those days in ancient Greece a winner was awarded a garland of wild olives at the stadium. I don't know how he preserved it to show his grandchildren, but when he got home poets started writing poems about him, people gave him a parade, and his emperor gave him free groceries for the rest of his life and 500 drachmae for pocket change.

Now a drachma, which I learned just now by looking it up in the dictionary and won't remember tomorrow, was a gold coin worth various amounts, depending on the rate of inflation. I don't know how much inflation they had, but I'm sure whatever emperor was running for office was against it, the same as he was against big government spending, high taxes, unemployment, and the charring of pupils to school. Of course the main platform

of any candidate in those days was let's get the country moving again. Ancient Greece moved so far it disappeared.

Furthermore, there was the same complaint back then over the idolizing of athletes and the ingoring of the intellectuals. One writer whose name I can't spell, let alone pronounce—it began with an "X" and nobody has ever been able to handle that letter at the beginning of a word without calling it something else — was bitter about the habit of the people's showering gifts on runners and ignoring philosophers.

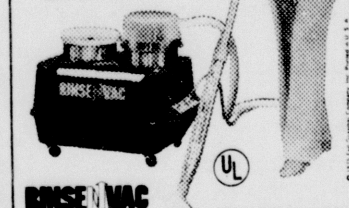

Times haven't changed. How many philosophers do you see giving commercials on TV? None, of course. What do you expect? How many of them can run a mile in less than four minutes?

Yours faithfully,
J.A.

DRYWALL DAYS
FEATURING FIRE-RESISTANT DRYWALL CONSTRUCTION
There's a major difference that makes this home stand far above others you may have seen. Our innovative home engineers and stylists have incorporated the use of Class-A flame-spread rated gypsum drywall for its interior sidewalls, room partition walls and the furnace and water-heater areas. It's the same type of construction used in today's conventional homes.
But non-combustibility is not the only feature of our drywall. It looks great, too, because we've been able to maintain the appearance of rich woodgrain paneling through a special printing process.
In addition, our research shows that our drywall is more than twice as heavy per sheet as a comparable sized sheet of plywood paneling. This means more weight and greater ground-hugging site stability for your home.
And, finally, our drywall affords you greater privacy. Tests have shown it affords up to 50% more soundproofing than plywood paneling.

Smith is the son of Mr. and Mrs. Durwood Smith, former Hamlin residents, and grandson of Mrs. Barrie Smith of Hamlin.

Attend Funeral

Roosevelt Bolden went to Houston last Wednesday to attend the funeral for his sister, Suzy Bolden, who was murdered at Houston sometime Monday.

He said she had been brutally beaten and stabbed to death. Neighbors found her body last Tuesday morning, he added.

Baby Boy Born

Mr. and Mrs. Harvey Dwayne Griffin of Grants, N.M. are parents of a son, Harley Dwayne Griffin, 7 lbs. 3 oz., born July 22 in Albuquerque, N.M.

Paternal grandparents are Buford E. Griffin of Hamlin and Mrs. Pat Hicks of Grants, N.M. Maternal grandparents live in Norfolk, Va.

Great grandparents are Mr. and Mrs. Lawrence Griffin of McCaulley and

Mrs. Mary Powell of Odessa and Donald Powell of Brownwood, formerly of Hamlin. Great-great grandmother is Mrs. Mary Ann Erwin of Stamford.

Mr. and Mrs. Joseph Hogan of Abilene are parents of a son Benjamin Lane, 7 lbs. 8 oz., born July 25 at 4:55 p.m. They have another son, Kristopher Joseph, 2½. Grandparents are Mr. and Mrs. Vernon F. Gavit of Sweetwater and Mr. and Mrs. A. J. Hogan of Lubbock.

You'll probably sleep a lot better, some psychologists say, if you furnish your bedroom in soothing colors. Traditional blues and greens are still used, but earth tones, such as rust and brown, may prove just as relaxing.
